*Haylands - LoMar
Auction Sale*

A Scene At Haylands Farm

HAYLANDS AND LOMAR SCOTCH SHORTHORN CATTLE

to be sold at public auction
in the Union Stock Yards Sale Pavilion

CHICAGO, ILLINOIS

MONDAY, NOVEMBER 30, 1942

AT 4:00 P. M.

This sale will be held immediately following the close of the Edellyn Farms Shorthorn Sale in the same pavilion.

**Auctioneers: A. W. Thompson, Lincoln, Neb. and
J. E. Halsey, Des Moines, Iowa,**

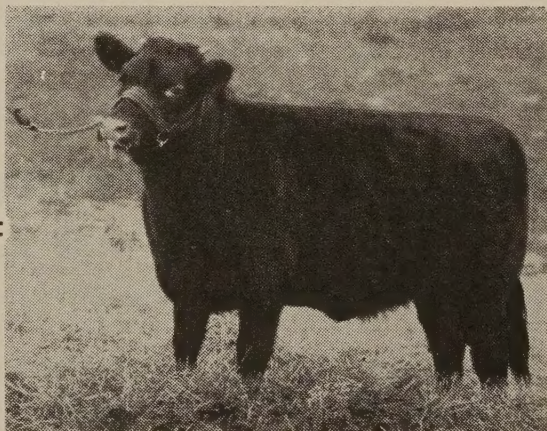

**HAL LONGLEY, SALE MANAGER — 37 ISLAND AVENUE
AURORA, ILLINOIS.**

Stuart Brown

The **Haylands Herd** numbers about 75 head of hand-picked, royally bred Shorthorns that have been bred for generations on this famous farm. They have been produced through the successive use of sires that have made Shorthorn history . . . Imp. Cudham Dreadnaught, Loyal Browndale, Divide Sensation and others of equal repute. At present in service is **Roble Neptune**, a solid red son of Roble Leader by Princeton Leader. Being one of the shortest legged stock bulls in the country, he has sired calves that are equally short legged and of most approved beef type. Promising sons and daughters of this outstanding young sire are available now.

Haylands Rosewood, a daughter of Roble Neptune produced in the Haylands Herd.

Alfred Miller

The **LoMar Herd** also numbers approximately 75 head and is designed to meet the requirements of buyers who know and appreciate good bloodlines and top individuality. The females, all of uniformly good colors and type, are members of the most highly approved Scotch tribes. At present in service is the great sire **Helfred Sunlight**, a son of Brae Lodge Headlight. He is siring calves that excell in shortness of legs, blockiness, width of ribs and thickness of flesh. We can offer customers a wide selection in ages and unrelated breeding.

LoMar Rosewood 6th, produced in the LoMar Herd.

Sale Information

LOCATION — The sale will be held at the International Sales Pavilion at the Union Stock Yards, Chicago, Illinois.

TIME — The sale will start at 4 P.M. on Monday, November 30, 1942, immediately following the sale of Edellyn Farms Shorthorns that will be held in the same pavilion.

HEALTH — All cattle have been tested for T.B. and Bang's and can be shipped immediately after the sale to any designated point in the United States or Canada.

GUARANTEE — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold.

This catalog and guarantee will constitute a contract between the sellers and buyers of each lot. Neither the sale manager nor the clerk of the same assume any liability.

TERMS — The terms of this sale are cash.

Although every precaution will be taken to provide for the safety and comfort of guests, neither consignors nor the sale manager will assume any liability for accidents of any nature.

Hal Longley, Sale Mgr.
37 Island Ave., Aurora, Illinois

Mail bids may be sent to members of the staff of The Shorthorn World who will be in attendance at this sale and who will execute all orders in the interests of the bidders.

Here are five choice heifers that will be sold in this sale. They are from left to right LoMar Clara 4th, Lot 8 — Haylands Gloster 9th, Lot 14 — Haylands Rosewood 21st, Lot 17 — LoMar Gloster 10th, Lot 10 and LoMar Clara 3d, Lot 5.

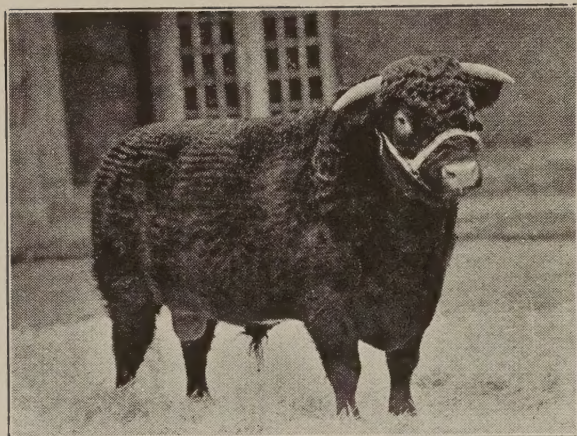

The Time To Replace

Now is the time to replace the older and less profitable cows in all herds with young heifers of correct type and character and the richest possible ancestry. In this sale will be found twenty-three young Shorthorn females that meet those specifications. Every breeder who will buy one or more of these choice young Shorthorns will profit handsomely from the investment.

Only four bulls will be sold in this sale but they are four as good herd bull prospects as can be found anywhere in the country. They, like most of the heifers, were sired by Roble Neptune and Helfred Sunlight the grand, impressive sires that head respectively the Haylands and Lo Mar herds.

The bulls have the quality, conformation and breeding necessary to qualify them for positions at the head of the country's strongest herds. The heifers are of real show yard form and carry pedigrees of greatest strength. This is a sale of young cattle suggesting at once a splendid opportunity for herd replacement and for the foundation of strong new herds.

Hal Longley, Sale Mgr.

Roble Leader 178076. Sire of Roble Neptune

Roble Neptune — This bull, combining the blood of the greatest Scottish sires, has made an enviable breeding record in the herd at Haylands Farm. He was bred at Los Robles Ranch and is a son of the noted stock bull Roble Leader that won second prize at the 1936 International Live Stock Show and was a member of the first prize three bull and two bull groups at the International of that year. The calves by Roble Neptune have been greatly admired by all who have visited Haylands Farm and the few that have been offered for sale

in public auctions have met with immediate favor. They are thick, compact and short legged. Two grand young bulls and eight outstanding heifers sired by him are listed in this sale.

Helfred Sunlight 2009646

Helfred Sunlight — Those who attend this auction sale will be greatly impressed with the calves sired by this dark red son of Brae Lodge Headlight that stands at the head of the LoMar Herd owned by Black & Miller, Sharpsburg. They are remarkably uniform in type and display the quality and character that is necessary for breed improvement. Two great young bulls and six outstanding heifers sired by him are to be sold in this sale. They are short legged, wide ribbed, blocky calves that have the inherent ability to mature early and feed easily.

Haylands Douglas 2105025

Haylands Douglas — Few bulls, the equal of this one, have been exposed for sale during the year. Certainly none have been offered with bloodlines that give greater assurance of success. Here is a son of Roble Neptune. His dam is a dark roan cow sired by Divide Gold Nugget. His granddam was a direct daughter of the great Cudham Dreadnaught and his great granddam was the Edgcote Missie cow that has made such great fame in the Haylands Herd. The same dam that produced this bull, also produced the Elmer Baker steer that won cham-

pionship at the Illinois State Fair and the St. Louis Junior Live Stock Show. This bull has all of the earmarks of a future great stock bull and he is bred to reproduce his kind.

Do Not Delay — Buy Now

To build successful herds it is necessary to start with the right kind of foundation blood. One should study and think when he undertakes any new enterprise, especially one of such far reaching importance as the building of a herd of pure bred cattle. Unfortunately, too many persons have rushed in and bought the first thing that came to hand, considering merely present appearance and neglecting to learn what might be expected in the future.

Haylands herd and Lo Mar herd have been built upon the strongest foundation of the breed and only bulls of superb type and character, backed by the most potent pedigrees have been used in the development of these two strong herds. The novice as well as the most experienced breeder can buy at this sale with full assurance of securing Shorthorns that will build strong herds, the descendants of which will be in demand always because they are the breed improving type.

The owners of these two herds have selected their best productions to be sold in this sale. You will profit by buying liberally in this auction. Come prepared to make purchases.

Prices of pure bred breeding cattle are advancing continually and there is no doubt that they will continue to advance for several years to come. Due to gas rationing a considerable number of prospective buyers will miss this sale. Therefore, you will have less competition if you come to the sale and you can buy at reduced prices. Take advantage of these conditions and of the fact that the sale lists only cattle of the highest quality and buy now before prices for breeding stock advance.

Mail Bids

This is an era of great activity in all lines of endeavor. There are greater demands than ever upon the time of those engaged in farming, in industry and in commerce. Yet at this time more than in any other period in our country's history, men with capital are turning to investments in farm land and in live stock. A limiting factor in the program of building herds is the time necessary to travel to buy foundation stock.

Those who would build herds of Shorthorn cattle can take advantage of the fact that there are competent, reliable men connected with the industry who can and who are willing to act for them in the purchase of cattle. Such men will be in attendance at this sale and at the other sales in the series that will be held on November 30 and December 1 and 2 at the International Live Stock Pavilion.

Bids may be sent by mail or telegraph to Will Johnson, Hal Longley or Clint Tomson of The Shorthorn World, to J. E. Halsey, Wallaces' Farmer, or to the representatives of the American Shorthorn Breeders' Association, H. J. Gramlich, Merwin F. Aegerter and Rank C. Forbes, or to F. W. Harding of Chicago. All such bids will be handled in confidence and to the best interests of the bidder.

There will be so many good cattle sold during this series of sales that there are sure to be some real bargains and so if you are in the market for Shorthorns and cannot arrange to be present during these sales, it will be wise to send your bids to one of the men mentioned above.
